[Get Help/View Manual](#) [Forgotten password](#)

User needs to input the following information:

- Email: the same email address to which the invite to participate/ register in the sales portal has been received
- Password: user inputs the password received within the email or the changed one.

Once the user has inputted the above stated information, presses “Sign in” button.

If the user has forgot the password, presses “Forgotten password” and the new view will be presented to him:

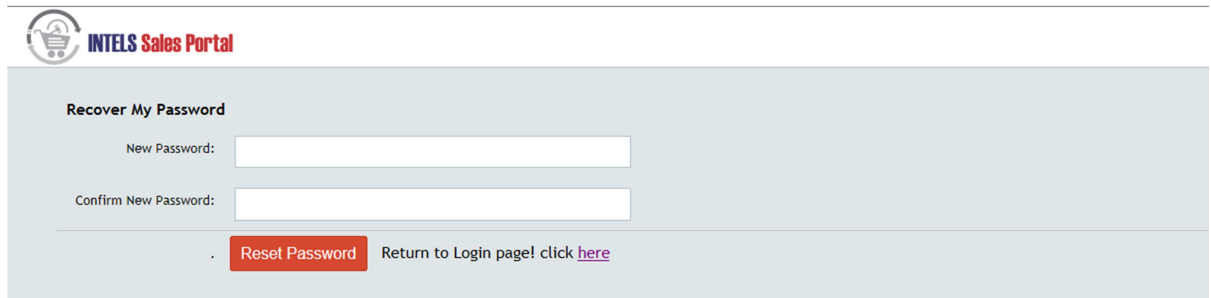

Recover My Password

Email Address:

Recover my password [Return to Login page! click here](#)

User needs to input email address that is registered with the sales application. User receives the email with the link which brings him to the following view:

Recover My Password

New Password:

Confirm New Password:

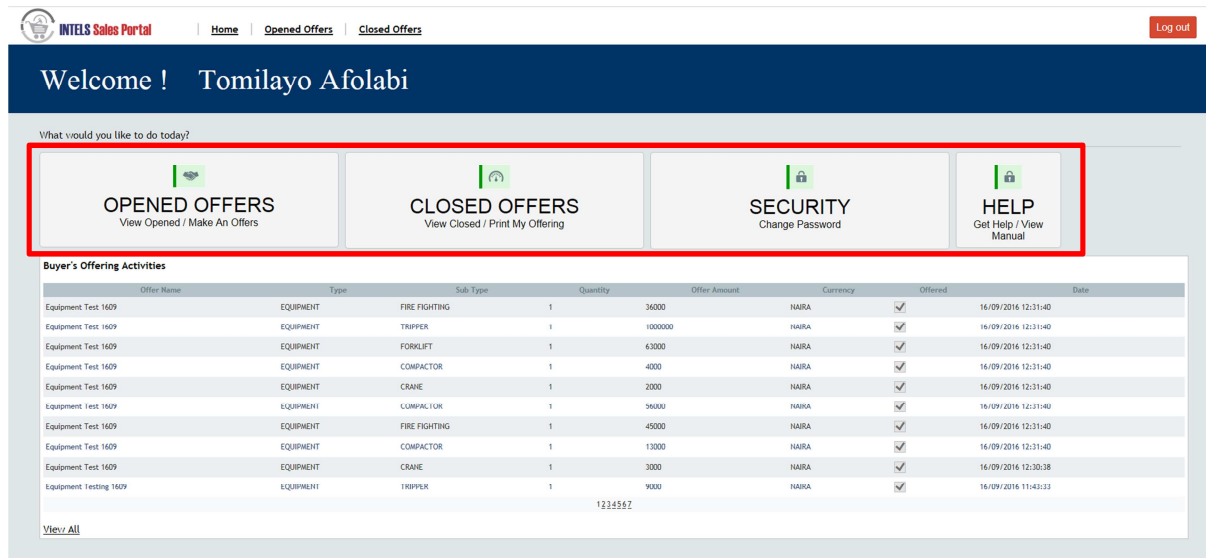

Reset Password [Return to Login page! click here](#)

User sets the new password by inputting the desired characters in “New Password” field, confirms it by inputting the same characters in the “Confirm New Password” field and presses “Reset Password” button.

If user needs instruction regarding the application utilization this manual is available by pressing “Get Help/View Manual”. The manual will be opened in the separate browser page.

Sales Portal Home View

Once user has successfully logs on, the home page of the Intels Sales Portal will be presented.

Once user selects the section, highlighted in the image above, the following view will be presented:

List Of Offers

ID: 1065

Offer Name: Equipemnt Offer 19.09.2016

Start Date: 19/09/2016 18:00:00

End Date: 20/09/2016 10:00:00

Currency: NAIRA

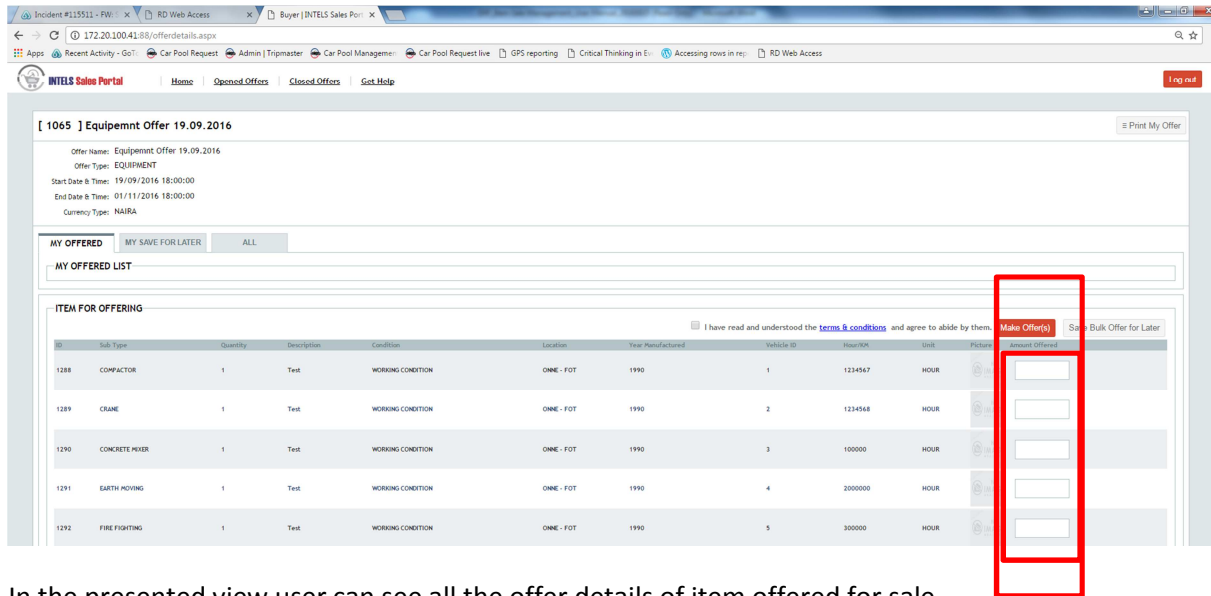

[View Offer Details](#)

User can see all the offers that are published and for which he can place the price. Within this view user is having quick overview of the following offer information:

- ID – which is unique number of the offer;
- Offer Name – which is the name of the offer;
- Start Date – the date and the time from which the offer is active and therefore from which moment user may place the price;
- End Date - the date and the time from which the offer is not active and therefore from which moment user cannot make any changes (place the price or modify existing price);
- Currency – is giving the information to the user in which currency the prices should be submitted.

Placing the prices

In order to place the price and/or to modify already existing prices per item published in an offer, user presses the button [View Offer Details](#) and following view is presented:

[1065] Equipemnt Offer 19.09.2016 Print My Offer

Offer Name: Equipment Offer 19.09.2016
 Offer Type: EQUIPMENT

MY OFFERED LIST

☐ I have read and understood the [terms & conditions](#) and agree to abide by them.

ID	Sub-Type	Quantity	Description	Condition	Location	Year Manufactured	Vehicle ID	Hour/KM	Unit	Picture	Amount Offered
1288	COMPACTOR	1	Test	WORKING CONDITION	ONNE - FOT	1990	1	1234547	HOUR		
1289	CRANE	1	Test	WORKING CONDITION	ONNE - FOT	1990	2	1234548	HOUR		
1290	CONCRETE MIXER	1	Test	WORKING CONDITION	ONNE - FOT	1990	3	100000	HOUR		
1291	EARTH MOVING	1	Test	WORKING CONDITION	ONNE - FOT	1990	4	2000000	HOUR		
1292	FIRE FIGHTING	1	Test	WORKING CONDITION	ONNE - FOT	1990	5	300000	HOUR		

Make Offer(s) **Save Bulk Offer for Later**

In the presented view user can see all the offer details of item offered for sale.

In order to place the offer user inputs desired values per item in the predefined boxes highlighted in the image. Once the values are inputted user reads terms and conditions by pressing [terms & conditions](#) which is followed by selection of the check box as confirmation of acknowledgement -

☒ I have read and understood the [terms & conditions](#) and agree to abide by them.

After the confirmation of terms and conditions, user has two options:

- **Make Offer(s)** – This option applies when user intends to submit the entered amounts, thus participating in the bidding process. In order to make offer, user presses button- **Make Offer(s)**.
- **Save Bulk Offer(s) for later** – This option applies when user intends to save the entered amounts for submission at a later date/time. By so doing, amounts are saved in a cart and user can still submit saved values at any time before the offer closes. In order to save offer for later, user presses button- **Save Bulk Offer for Later**.

Modifying Prices

In order to modify prices, the following views are available to users:

- **My Offered** – This view displays a list of all submitted prices.

									140,000,000.00	

If there is need to modify the prices user can execute it using one of the following means:

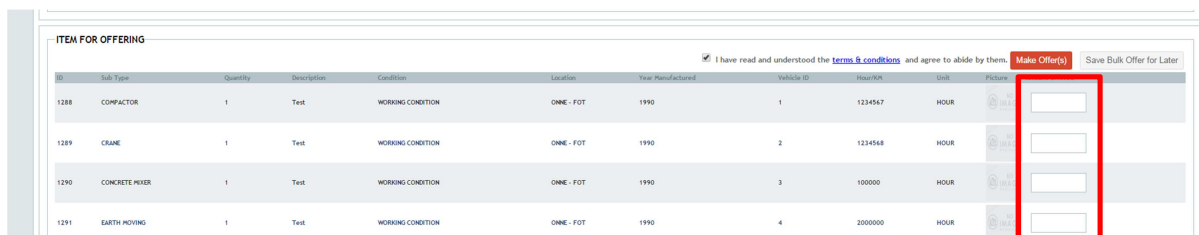

1. In MY OFFERED section, user selects button “Modify Offer” for the item that change of price is needed. Once the command is executed, following view will be presented to the user. User modifies the price by inputting new value in the box highlighted above and presses button “Submit My Offer”.

2. In MY SAVE FOR LATER section, user selects button “Modify Offer” for the item that change of price is needed. Once the command is executed, following view will be presented to the user. User modifies the price by inputting new value in the box highlighted above and has the option of submitting the entered price by pressing button – **Submit My Offer** or save the entered price for later submission by pressing button - **Save to Offer Later**.

3. In ALL section, user selects button “Modify Offer” for the item that change of price is needed. Once the command is executed, the same steps taken in options 1 and 2 are applied.
4. In ITEM FOR OFFERING section, user modifies the prices by applying the same path as for placing the price.

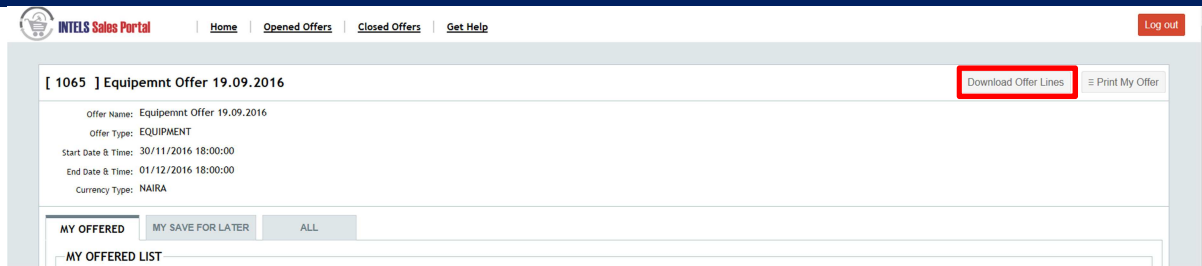

ID	Sub Type	Quantity	Description	Condition	Location	Year Manufactured	Vehicle ID	Hour/HR	Unit	Picture
1288	COMPACTOR	1	Test	WORKING CONDITION	ONE - FOT	1990	1	1234567	HOUR	
1289	CRANE	1	Test	WORKING CONDITION	ONE - FOT	1990	2	1234568	HOUR	
1290	CONCRETE MIXER	1	Test	WORKING CONDITION	ONE - FOT	1990	3	100000	HOUR	
1291	EARTH MOVING	1	Test	WORKING CONDITION	ONE - FOT	1990	4	2000000	HOUR	

Once any of the above has been executed the newly placed price will replace previously submitted one.

Printing the offer

If for any reason is required to be obtained the hard copy of the offer without prices submitted User proceeds with selecting Download Offer Lines button as indicated in the image below:

View All

The section, indicated in the image above, is present in the home view of the application. Buyer's offering activities gives the user a quick list view of all offered prices per item that are part of different offers. The offered prices are sorted from the last to the first offered. In order to see all records user needs to press "View All" present in the highlighted section.
